## P O I N T S O F I N T E R E S T !

### *Wednesday Bible Study*

Be sure to make time in your busy schedule to attend Bible study each Wednesday evening beginning at 7:00 p.m. There are adult, teen and kids classes available, so bring the whole family!

### *Send a Friend a Bible!*

If you know of someone who needs a Bible, fill out the form on the information table and turn it in to Pastor today. We will take care of the rest. A Bible will be sent to them as a gift from you and Turning Point. We believe that as we send out the Word, it will accomplish God's purpose in those to whom it is sent.

### *Invitation Cards Available!*

There are invitation cards available for you to use in inviting your friends, family, and co-workers to Turning Point. There is a map on the back, along with the church address and phone number. Make it your goal to pass out several of these each week!

### *Discovery Point Kid's Church*

All kids in grades 1-6 are encouraged to take part in *Discovery Point Kid's Church* when they are dismissed from the main service. If you need directions for your kids, simply ask one of the ushers, or have your kids follow Miss Sara as she goes to class.

### *Get the Word Out!*

We are making our Sunday services available on CD free of charge to anyone who would like one. Get one for yourself, your friends, your family, or anyone else who could use a good Word from the Lord. Just fill out a card from the sound booth letting us know you would like one, and then: *Get the Word Out!*

*There are DVDs of our services that are available for you to have and pass along to those who would be blessed by the Word!*
